The screenshot displays the Blue Rewards portal interface. At the top, there are four columns showing point statistics: 'Your points:', 'EARNED: 0', 'USED: 0', and 'BALANCE: 0'. Below this is a section for rewards, with a '\$' icon and a gift icon, and the text 'Your reward listed here'. The main section is titled 'Finish these activities before you can redeem your reward' and contains a list of activities. The first activity is 'Biometric Screening / Onsite' with a 'more' link and '100 points', with a due date of '8/31/2016'. The second activity is 'WebMD Personal Health Assessment / Online' with a 'more' link and '100 points', with a due date of '9/30/2016'. A blue 'Do It' button is visible next to the second activity. A red arrow points from a text box to this button.
