Coverage Change to Specialty Prescription Medications for Hepatitis C

In Jacksonville, a specialty drug clinic to dispense certain Hepatitis C specialty medications has been established for GatorCare patients. GatorCare patients who require any high cost, specialty medications including, but not limited to **Harvoni (Ledipasvir/Sofosbuvir), Olysio (Simeprevir), and Sovaldi (Sofosbuvir)** to treat Hepatitis C must have a prescription from a Gastroenterology specialist at the UF Health Gastroenterology Clinic located at the address below:

UF Health Gastroenterology – Jacksonville
5th Floor, Tower I, Suite 513
580 West 8th Street
Jacksonville, FL 32209
For appointments, call (904) 633-0797

Prescriptions for the medications listed above will only be covered by GatorCare if prescribed and filled at the above Gastroenterology location.

If you are currently undergoing treatment for an existing condition, we will work with you to ensure you are able to complete any medically necessary treatment.

Please contact Human Resources for additional information.
